

PAID RELATED ARTS SUBSTITUTES NEEDED

In order for related arts classes **NOT** to be cancelled when those teachers are out, we need to create a pool of enthusiastic, talented (optional) available people from which to draw from on days we need RELATED ARTS substitutes.

- You would be placed on an on-call list with right of refusal
- It could be for one day or could be for several days together
- Some days are scheduled in advance and others you would be called for on the day needed
- You have the option to choose the Related Arts areas of interest
- You should have the ability to handle 20+ children without an associate teacher
- You do not have to “jump into” a curriculum. You would have the freedom to be creative
- You will be subject to a background check as required by the Atlanta School board for all ‘teachers’
- It would be preferable for you to come into class PRIOR to substituting
